LAWN SEEDS

STARTING OUR 40th YEAR OF SELLING HIGH QUALITY M-BRAND FIELD AND LAWN SEED

Since 1919, Ed. F. Mangelsdorf & Bro., Inc. has been cleaning and selling seed of the finest quality to the domestic and export trade. The policies and direction of the company remain in the same hands that guided the business through the years. Ownership remains unchanged. Ed. F. Mangelsdorf & Bro., Inc. is a strictly independent company, with no connections whatsoever with any other seed firm. The present working management owns all stock interest in the company.

As in the past, our purpose continues to be: to promote the use of clean seed by farmers; to promote the use of adapted varieties; to promote research for new varieties of legumes and grasses; to bring to the front and push all new varieties of legumes and grasses that promise a forward step to agriculture; to develop and use better methods of processing seed that will allow us to distribute finest quality seed to our customers.
